"The Class of '41"

We started as freshmen, just four years ago,
To gain some knowledge, that we should all know.
Our first year was hardest; we know that is true,
But with the help of our teachers, we finally got thru,
Tho' they called us "green"--we had our fun,
For we were the class of forty-one.

Those hourly quizes! Oh, my, such a task,
For anything harder--we didn't ask.
Then next came the finals! Oh, me, and Oh, my!
Before we had finished we thought we would die!
But not all was hardships, for we had fun,
For we were the class of forty-one.

When vacation was over, we each came back,
To study home ec or some history fact.
We labored and studied and burned midnight oil,
O'er French and math, did we hourly toil.
But not all was hard, for we had fun,
For we were the class of forty-one.

When school was out and vacation slid by,
We returned as Juniors, proud but still shy.
And on our lessons, we began once more,
To continue our tasks, just as before.
'Mid all the laboring we sure had fun,
At the banquet for our class of forty-one.

Last fall as seniors, we returned once more,
To welcome our teachers and friends glore.
Our four years here have not been in vain,
For a little knowledge, we really did gain.
But all throughout the years, we had our fun,
For we were the class of forty-one.

But now the time comes to say "adieu",
To teachers, classmates, and friends so true.
But this dear old school, we'll never forget,
For we'll always remember where we first met.
Our lives will go on as they've just begun,
As we leave in the class of forty-one.

Annual

We linger in parting, but we must say "good-bye",
To friends we're leaving, without a sigh.
Our lives will go on, but not as before,
As we part with friends at the old school door.
We've had hard tasks, but also fun,
For we were the class of forty-one.

So to our friends, we now say a fond "farewell".
No more will we hear the old school bell.
We're parting at last, but it will always be,
That we keep in our hearts, a pleasant memory,
Of the ones we're leaving, for there isn't one
Who's glad to go in the class of forty-one.

CLASS SONG

There's a long, long trail awinding
For the Class of '41
Where the business world is calling
For each and every one
There's a long, long night of waiting
Ere our dreams shall come true
Oh class mates till we'll be going down
That long, long trail with you

Very Untruly Yours

The action of the senior class play took place in the cell of a county jail where Lee Montgomery; Professor Pollard, tried to finish the final episode of "Anne Laurie's Glorious Past". Interruptions came fast and furiously from Reuberta Grady as the mother-in-law-to-be who talked continually; Nadine McKinney as the Professor's fiancee; Roy Foulke as an advice to-the-lovelorn editor; Edwin Daggett as Dean Drustor of Hamilton University; Ruth Harris as the giggling school girl; Harold Wilkey as the policeman who was socked on the jaw; Maxine Rose as the colored maid; Herman Gardner as the exasperated jailer; and Verna Clary as the girl who saved the day.

Class History

The characters in this movie are the 30 members of the class of '41. We are first seen when we begin to take our first screen test. There are 40 of us. Our director is Mr. Paul Swan; the producer is Mr. W. D. Keyes. The following served as very helpful assistants; Mr. F. W. England, Mr. John Hensey, Miss Venus Johnson, Miss Martha Flugum, Miss Edna Ulmer, Miss Juno Grabb and Miss Elsie Zelle. In addition we had the following people to help the director and producer. The class president whom we shall call the camera man, Paul Miller; Vice President who will be known as the musical director, John Crocker; the script writer or secretary, Dorothy Cooper; the treasurer or sound producer was Nina Miller. Each studio sent representatives to the board of directors or the Student Council. We sent James Stoutenborough and Rolla Crouch. Every studio needs a good publicity committee and to this we elected Nadine McKinney and Wanda Reed. This is also known to some as the Pop Committee. We finished this scene and all were glad to go home and get rested for the important scenes to follow soon.

Some of our friends have received contracts with other studios. We have some now assistant directors who will guide and help us to become better actors and actresses. The new assistant directors are Miss Helen Sutton, Miss Lois Bottenfield, Miss Mildred Schulze, Miss Maxine Bicutko, and Mr. M. J. Nicol. In this scene we find the camera man is Donald Hartsock; sound producer Lee Montgomery; musical director, Nina Miller; script writer Norman Gardner. To the board of directors we sent Roberta Grady and James Stoutenborough. For the publicity committee we chose Wanda Reed and Bruce Mashburn.

When we came to begin making the third scene we knew that this would be important to us and we would all try to do our best. We had one new assistant director for this scene, Miss Betty Stadtman, who has been very helpful to us. At this time several members of our studio received contracts

Annual

for the production of the play "New Fires." Miss Helen Sutton directed this production which proved to be very successful. Members of the cast were Roy Foulke, Nina Miller, Dorothy Cooper, Eugene Dial, Herman Gardner, Rueberta Grady, Rosalie Leach Rolla Crouch, Edwin Daggott, Mary Vorce, Leland Montgomery, Anna Mashburn, Evelyn Friis, Maxine Rose, and Alice Anderson. In the spring of the year every member of our studio was excited over the Annual Ball which was to be held at a club-house near our studio. Two members of our studio, Dorothy Cooper and Rueberta Grady, received contracts to be in the one-act play contest "Why Hubert" which was an academy award winner. For this scene we find that the camera man is James Stoutenborough; the musical director, Bobby Nick Hoffman; the script writer, Herman Gardner; sound producer, Harold Wilkey. To the board of directors we sent Donald Hartsock and Fay Hoffman, to the publicity committee we again sent Wanda Reed and Bruce Mashburn.

For the making of the last scene we had 30 people present out of the beginning 40. Our camera man this scene is Bruce Mashburn; musical director Herman Gardner; script writer, Evelyn Friis, sound producer Nina Miller. To the board of directors we sent Edwin Daggott and Dorothy Cooper. For the publicity committee we chose Maxine Rose and Donald Hartsock. Our main production this year was "Very Untruly Yours" which again was directed by Miss Helen Sutton. Those who had parts were Leland Montgomery, Herman Gardner, Maxine Rose, Roy Foulke, Rueberta Grady, Nadine McKinney, Edwin Daggott, Harold Wilkey, Verna Clary, and Ruth Harris. A new assistant director, Mr. Alfred Lloyd, came to help us with the last scene.

And so after a grand finale the lights in the house go on and we are ready, after four years of work, pleasure, friendship, and loyalty, to begin a new movie. Not all together anymore, but as individuals, we sign new contracts

1941 Class Prophecy

June 5, 1945

What an unusual experience I had yesterday. As I was going to lunch I met Mr. Swan, our home room advisor at M.C.H.S. We were so pleased to see one another that we decided a celebration was in order, beginning with lunch together in a large restaurant on Michigan Avenue. As we ate we talked over old times and all the old gang. Mr. Swan told me that Herman Gardner was an interne in the same Chicago hospital where he was a resident physician, and that Ruth Harris was a student nurse there. The tales he told me about those two kept us amused for the remainder of the meal. When we left the restaurant Mr. Swan bought a newspaper and there on the front page was Nina Miller and her youngest daughter, Nirene. They had just returned from visiting her husband in Hawaii where he is stationed for the present. In the photograph she was being greeted by here old classmate and friend, Nadine McKinney and her fiance, Mr. Querry. When we finished looking through the paper we decided to attend a show at the Chicago theater. Who should usher us to our seats but Marvin Elliott. Even though he was on duty we couldn't resist the temptation to talk to him, but he saw the head usher coming his way, he left us, saying he hoped we would enjoy the big surprise in store for us in the film. And were we surprised!! Who do you think the leading lady was? None other than Dorothy Cooper! And that wasn't all! Roy Foulke was the side-splitting comedian, and Lee Montgomery the leading man. It certainly brought back memories of our adolescent efforts on New Fires and Very Untruly Yours, where these three got their start.

When we left the show who should we meet but Evelyn Friis and her fiancee, Darrel Dash, who had driven to Chicago to visit relatives and friends before they were married. After a chat with them we hailed a taxi only to find the driver to be Donald Hartsock. The same old Don, always on the go. He drove us to the Municipal Airport where I was to meet Rolla Crouch, Bruce Mashburn, and Bobby Nick Hoffman who were arriving from Texas. When they found out that Mr. Swan was with me, they offered to take us up again for a ride. When we thought of Rolla and Bruce and Nick in old days at M.C.H.S. we couldn't decide whether it was worth the risk or not. It wasn't until Mary Carolyn Al-

Annual

lsup poked her head out of the plane, that we decided it was the thing to do. Mary Carolyn, it seems, is now a hostess for the United Airlines. While we were in the air we had the thrilling experience of seeing a great passenger plane land. On the ground again we discovered that Mary Coe and Dorothy Turner had been among the passengers. They had just returned from a tour of the West and were on their way to New York. They told us they had stopped over to see Edwin Daggett, who was now managing the Field Museum. We decided to make the day complete by going with them. We found the museum to be one of the most interesting places in Chicago, but we were more interested in seeing Edwin again. He told us that Eugene Vaughn was his chief electrician there and that Willard Shoemaker was his financial advisor.

As it was getting close to our dinner time we decided to go to a nearby swanky restaurant to eat. Right at the front table we saw Maxine Rose and Rueberta Grady who were having a bite to eat after a hard day's work at the office as secretaries to the chief executive. They said they always ate there because it was owned by Rosalie Leach and Fay Hoffman. We had never eaten such delicious food before and we assured both Rosalie and Fay that we would come back as soon as it was convenient.

When we left the restaurant we met Grace Gilman and Alice Anderson who were loaded down with packages. They said they were certainly glad to get away from their husbands and their domestic duties for a shopping spree in Chicago. They told us they had just seen James Stoutsborough who was showing some of his prize stock at the Chicago Livestock Show. They told us the latest news about James Streight and Harold Wilkey who are now managers of a big broadcasting station. We could scarcely believe it. By this time we found ourselves before the Congress Hotel. We were surprised to see Verna Clary's picture all over the placards on the outside. Just then Anna Mashburn walked by on her way into the hotel. She told us that Verna was singing with a new band that was getting it's start there and that she was acting as her traveling companion.

All this news almost proved too much for me. I was so exhausted that I could do nothing but go back to my hotel and rest.

JUNIOR CLASS

In the fall of 1940 the Junior Class for the first time in its career had a common home room. The first two years the girls were in one home room and the boys in another. In September the Juniors chose Billy Stoutenborough for president, Wayne Bennett for vice president, Jimmy Allsup for treasurer, and Frank Hockaday for secretary. The class sponsors are; Mr. England and Miss Bottenfield.

Everyone knows that the most important activities of the juniors center around making money to entertain the seniors at the annual junior-senior banquet. A very efficient committee composed of Shirlie Karr, Tirrell Stoutenborough, Netha Perry, Norma Westerman, Phyllis Thomas, Jim Allsup, Wayne Bennett, Bob Reed, and Bill Stoutenborough has had charge of all banquet plans.

FRESHMAN CLASS

Because of the zealous efforts of Mr. Nicol and Mr. England, Maroa had the largest freshman class that it has had in a long time. There were seventy pupils in the class at the beginning of the year.

During the year we lost Victor Elliott, Joan Meils and Janice Merritt. In their place we gained Ray Redding, Marguerite Helmick, Jim Adcock, and Elsie Simpson.

Early in the year the class elected the following officers: President, Robert Daggett; vice president, Laura Ellen Hill; and secretary-treasurer, Virgil Wikoff.

The class was very well represented on the Council by Shirley Bolen and Elwood Crutcher and on the Pop Committee by Helon Marie Albert and Billye Anne Hoffman.

Annual

The freshman entered all branches of athletics and proved that they can stick to hard work and practice.

In track, the freshman relay team was able to bring home a banner from the Macon County Meet.

In April, our class had a party, which was a very pleasant way to end the year.

The class advisors are Miss Schulze and Mr. Nicol.

SOPHOMORE CLASS

The sophomore class officers for this year were:

President-----	Albert Heims
Vice President-----	Wesley Gardner
Secretary-----	Nancy Marohl
Treasurer-----	Clarence Young

Sophomore representatives on the Pep Committee were Jack Caplinger, and Dorothy Jones, and on the Student Council were John Ross Miller, and Norma Larson.

Some of the outstanding class activities for the year were the sophomore party; our sophomore soft ball team that played other class teams during noon hours; and the study of careers and occupations in home room.

At the close of this year there were 34 members in the class.

The class advisor is Miss Beutke.

ACTIVITIES

Annual

Hi-Tri

Hi-Tri is a club for girls who are striving to attain success, courtesy, pleasure, character, and friendship. The president of this club is Evelyn Friis. The vice president is Rosalie Leach the secretary, Nina Miller; and the treasurer Dorothy Cooper.

In the weekly meetings the past year a discussion of the problems of girls, demonstrations, etc., were held. The sponsors of this club are Miss Bottenfield and Miss Beutke.

Hi-Y

Hi-Y is a club created for boys out of the growth of the Y. M. C. A.'s. It is based on a religious background and has a moral standard for cleanliness in every phase of our lives. Its main purpose is to help the boys learn to think about growing problems and how to be a better citizen.

Hi-Y is open to any boy willing to follow our standard not only during the time when near other members but wherever he is or whatever he is doing.

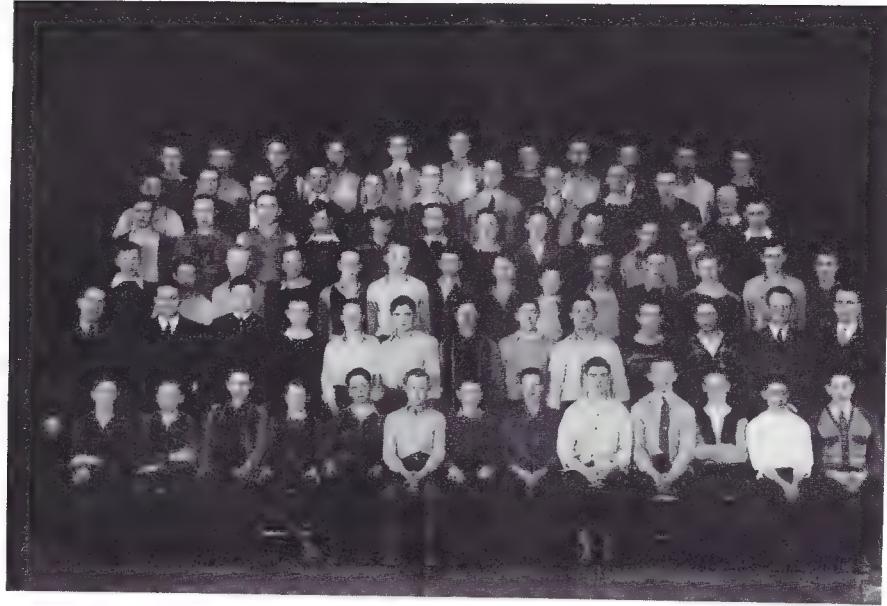

The club meets once a week and tries to arrange meetings so everyone has a chance to participate. We try to make it as democratic as possible. We have a very wide variety of material and try to plan a good meeting for each week.

"To create, maintain, and extend throughout the school and community the high standards of Christian Character" is our law or moral code and we try to follow and teach this as well as we can.

Mr. Keyes is the sponsor.

The Maroa Community High School sponsors a large number of extra-curricular activities. Of these, none are compulsory, none are exclusive. These activities give the student an opportunity to develop his personality by working with others.

Good Night, Caroline

"Good Night, Caroline" was presented at the Decatur High School auditorium as a part of the Macon County one-act play contest. In spite of the competition, the play ranked as third by the judges. You will remember the story of the burglar with the tough exterior (Russell Atkins) who climbed through the window of Caroline's (Helen Marie Albert) bedroom. He expected to ransack the house but he did not expect to combat Caroline. With tears and returns everything to Caroline, including the money and jewelry he had acquired from a previous job. Virgil Wikoff as Caroline's disgruntled husband and Shirley Heil as the maid were as amazed at Caroline's feats as was the burglar.

Enter Mr. Patricia

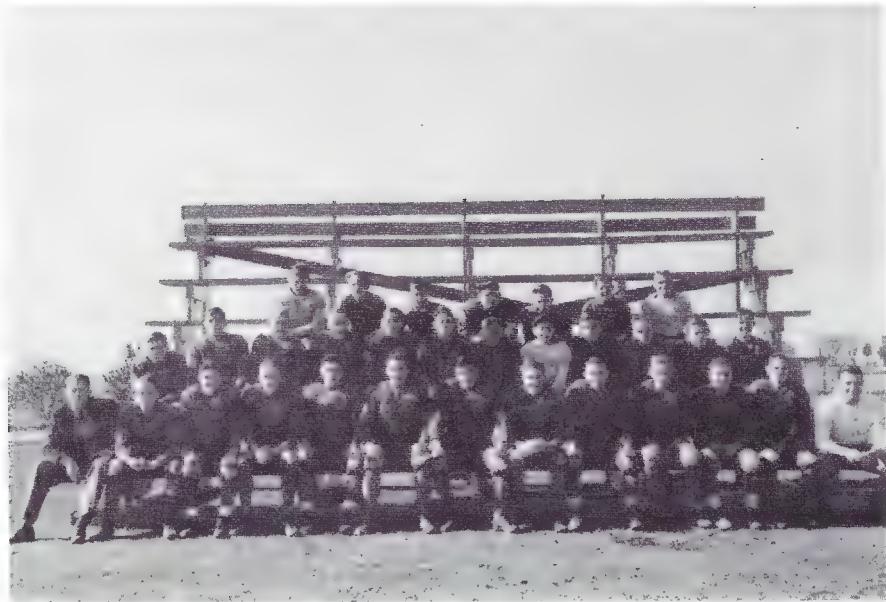

On November 29, 1940, the Junior Class presented "Enter Mr. Patricia" to an enthusiastic audience. The story revolved around Mike Bryd, a garage mechanic, who was pressed into service by his friend Pat Farnum to operate a beauty shop. When word spread around that Mike had spent a year in Paris studying beauty culture nothing could stop the stampede. He was compelled to demonstrate his ability, and furthermore, was expected to marry Betty Belmont in spite of the fact that he already had a wife. The juniors who got him in and out of his problems were: Jack Kirby, Tirrell Stoutenborough, Shirlie Karr, Bill Stoutenborough, Norma Braden, Kathleen Nelson, Russell Atkins, Bettie Riley, Netha Perry, Margaret Beasley, Bill Smart, Etta Heim, Phyllis Thomas, and Iris Ann Meils.

BASKETBALL 1940-1941

Basketball had to be rebuilt from the ground up, since all of the 1939-40 team had graduated. The boys worked hard and drilled night after night upon fundamentals that they trust will bring the real pay-off in the 1941-42 season. There were several games during the past season when they gave evidence of their rapid progress by defeating some of the best teams in the conference and country.

The nucleus for the 1940-41 team was a fine reserve group of 1939-40 consisting of Bob Reed, Dick Irvin, Goose Garren, Wayne Bennett, and Bruce Mashburn. To this group was added Bill Hambrecht, a promising freshman with size from Forsythe, who was worked in to complete the varsity group.

This year's team while winning eleven and dropping the same number probably set some kind of a local record in that they participated in so many extremely close games. Ten games were decided by four points or less. Eight contests were decided by a mere two points or less. The team participated in five overtime periods. They were never beaten by more than 13 points yet the worst defeat they could dish out was by twelve points. All of this only shows how the coach's time on the bench was full of tension and how luck could have made a fine record or might have gone a bit worse. For instance, could the team have turned that 25-23 loss to Mt. Zion into a victory it would have given us a tie for second place in the Cenosis Conference. Those boys always gave their best under the circumstances. Several of the fellows must work very hard, since basketball skills come mechanically to them. On the other hand two or three boys showed great improvement this year, which causes us to believe they'll be hard to stop in 1941-42. Of course, we are figuring on their continued improvement because it was their lack of experience that no doubt threw them into so many close games and brought about several losses. They

Annual

will all be back next season with the exception of Bruce Mashburn who graduates.

Bill Hambrecht should pull his three point average up to seven points because of his year of experience in handling himself around the basket and in playing rebounds. Bob Reed should have a great season and Coach predicts he will hit 300 points. He averaged 9 points per game this year. L. Garren should better his 5 point average. The presence of J. Current and the combined improvement of B. Smart and Warren Hastings should give the Trojans a good front line attack. In the back court Dick Irvin stands out with a seven point average. If Dick can be a driver in every game he can average 11 points next season. Cy Young, Jr., Streich and Wayne Bennett are improving and are all hustlers that can be counted upon for strength at the guard posts.

All considered, this season was not disappointing. Nine of the first ten are back for next year. Maroa played to more fans this season than in any recent year.

Bob Reed was selected as the most valuable player to the team for the Montgomery Award.

Boys on the "A" Squad were B. Mashburn, R. Reed, W. Bennett, R. Irvin, L. Garron, F. Hockaday, B. Rorscheib, J. Kirby, M. Marchl, War. Hastings, J. Miller, J. Saville, A. Hoims, J. Spooner, P. Caldwell.

The reserves racked up another good record of 14 victories against 5 defeats.

FOOTBALL CHAMPIONS BUILT 1941

Sept. 1, 1940----The job of replacing 15 Seniors from the 1939 championship team will be a tremendous task. Forty two boys are working out twice daily in drills packed with fundamentals so necessary for a very green squad where there are only two experienced regulars returning. This must be a building year for the Trojans. A group of 13 freshmen form the best looking group of first year men to report in a decade. A complete new line must be built, a capable center developed, a punter must be found and schooled. Only bright part of the picture----plenty of spirit and determination evidenced by young boys and they have a good captain.

Sept. 21, 1941----John Zelhart suffers recurrence of a knee injury that will cause him to miss the first two games. Though the first game with the husky mounders from Blue Mound was not an exhibition of polished football that was played by the 1939 champions, it was a brand of sturdy hard football that was extremely pleasing to the coach and fans. Two touchdowns were registered while the gun ended the game with a third only a yard away. The tackling was of a vicious nature that brought many compliments to several young players. Maroa 13, Maroa 0.

Sept. 28, 1940----Against the verteran Shelbyville aggregation the lack of experience began to tell. Especially, the defensive ball. Better defensive work could have prevented all Shclby scores. But Bennett received a broken finger. Shelbyville 25, Maroa 0.

Oct. 4, 1940----At the last minute plenty of trouble appeared. Bennett, sturdy little signal caller could not play "broken finger" ----no quarterback, Goose Garren, best back, greatly handicapped----"boil on arm". Zelhart plays his first football game. Versatile Bob Reed

Annual

being groomed for Bennett's fullback spot. Despite these handicaps the Trojans held a 6-0 halftime lead and barely missed another marker by inches at Stonington. Poor end play and two costly fumbles allowed Stonington to score three times in the last half. Stonington 21, Maroa 6.

Oct., 8, 1940----Homecoming with Illiopolis coming up Friday. Boys vow they'll play no more poor ball like that at Stonington. Quarterback Bennett still out. Reed learning fullback position quickly. Garren's arm in good shape. New defensive formation used for first time 6-3-2. Coach announces his championship hopes for 1941.

Oct., 12, 1940----Garren and Reed carry ball over in first quarter to register 13-0 homecoming victory over Illiopolis. A great passing attack was flaunted. Successive passes set up both touchdowns.

Oct., 19, 1940----The team is really rolling now---- licked Assumption 23-0 to get revenge for a 13-2 loss in 1939 for that season's only defeat. Fat Bennett scored three touchdowns. Bob Reed and Goose Garren got one each. A beautiful offensive was on display. Almost every type of play and formation in the book was used. The team now realizes its offensive power.

Oct., 26, 1940----Trojans smother LeRoy 29-13. A blitzkreig of blocking was showered on the Empire Twp. boys. Tackling weakness, especially on going down under punts cropped up again. Spinners, cutbacks, reverses, sweeps all functioned beautifully. Garren scored twice on long runs, Reed got one on a deep reverse. Garren passed to Alsup for a great catch. Maroa is now knocking at the championship door. Lovington and a great Bethany team remain to be side tracked.

Annual

Nov. 2, 1941---Fighting with gusto to stay in the championship race Maroa's determined eleven blocked viciously to run over, inside and outside their larger opponents from Lovington to win 25-20, after three sustained marches Goose Garren hit pay dirt each time. The Panthers with their great star, Hostettler, found a weakness in the Trojan defense at left end during the second half. Hostettler struck at this spot three times during the second half. Reed scored Maroa's other touchdown on a reverse run. Just one game away from the championship but an undefeated Bethany Mustang had to be conquered yet.

Nov. 9, 1940---Under the lights at Bethany before a crowd of 1500 the driving Trojans were not to be denied in a thrill packed 32-25 championship game. This great victory gave our boys their second consecutive football title. They were far from the lowly spot most critics had picked for them. An offense that continued to gain momentum was at its height. Touchdowns were sprung from as many as four different formations. Goose Garren was tops registering four touchdown gallops on long runs of 68, 40, 1, and 15 yards, Reed showed brilliant ability by his reverse running and got away for a 65 yard touchdown.

THE BOYS

The Junior backfield of Garren, Bennett, Reed and Zelhart was probably the best balanced in Central Illinois. The line though not quite as brilliant fought its best each game and became skilled at opening gapping holes in opponent's defense. The linemen seeing most duty were Capt. L. Montgomery, B. Mashburn, R. Crouch, D. Hughes; R. Irvin, J. Alsup, B. Hambrecht, and R. Baldwin. H. Wilkey proved a valuable reserve in the backfield. Next year's squad must start the season with a loss of the following valuable boys whose absence will be greatly felt. L. Montgomery, B. Mashburn, R. Crouch, H. Wilkey, B. Halladay, D. Hughes, P. Merit and J. Watson.

Coach said, "The fine boys that played for us in 1939 helped a lot this year. They left the spark in their fine spirit. We had an excellent captain

in Lee Montgomery. These boys made plenty of mistakes, but they learned lessons and improved. It will be necessary for us to improve much more to win a third championship in 1941. We have lost more power than the average fan realizes. All opponents will be pointing for us. The real test of manhood confronts us all--can we be a winner without becoming a creampuff. Boys the test will be given us next season, I mean dig in. It must be work, hustle and drive every minute or we won't get to first base. These boys have given me my most pleasant surprise this year. I have confidence in them. I am proud of them--but next year there is a big job to be done. They'll do their best.

Reserves who worked to make the season a success were J. Miller, B. Smart, B. Prather, B. Montgomery, G. Dial, K. Dial, M. Marohl, P. Merit, P. Finch, M. Bryant, K. Webking, R. Wentworth, P. Caldwell, J. Spöoner, B. Rorscheib, D. Vaughn, J. Streich, C. Young, E. Crutcher, J. Clough, and H. Gentry.

Lee Montgomery was selected as being the most valuable player to his team for the Montgomery award.

1941 Big Track Year

One of the largest and most enthusiastic squads in Trojan Track history reported for work-outs March 25th. Headed by the Versatile Junior, Capt. Bob Reed, the list included 56 athletes. This was a far cry from the 15 or 18 that used to report. The team participated in a colorful ten meet schedule with only one loss being recorded. That loss came at the hands of the powerful Farmer City squad in a dual meet April, 10th. This marked only the fourth loss Blue and Gold track teams have suffered in dual or triangular competition in the last four years.

The 1941 track team was one of the best in the schools history. The boys won two triangulars, four dual meets, finished second in the Gridley Relays, won the Macon County Title for the first time in 19 years, and finished second in the Cen-ois Conference meet. Winning the track title meant two championships for our Trojans this year, since they won their second consecutive conference football championship last fall. At the county, Coach Englands' lads were determined to make the most of it and stepped out to cop both the Freshman 440 yard relay banner and the Varsity 880 yard relay banner. Few are the times in the meets' history when one school has taken home all three awards. The Freshman 440 yard relay team also won the conference trophy. The Freshmen Relay runners were: Caldwell, Spooner, Wentworth, Dial, and Hambrecht. Running on the Varsity relay were: Reed, Zelhart, Garren, and J. Stoutenborough. A lack of strength in the weights caused the conference title to slip away, but we finished a strong second behind Bethany. Ten relay teams were entered in the Gridley Relays, April 18th. The boys brought home the second place trophy, being beaten out only by 5 points by the host school. The team bagged five trophies and banners this season.

Annual

Bob Reed blossomed into one of Central Illinois best track men by hanging up works of 20 ft, 4 in, in the broad jump, 5 ft, 8 in, in the High Jump and 16.6 over the 120 yard high hurdles, Bob was good for 20 to 25 points per meet.

Herman Gardner developed a great deal this season to finish second in both the conference and county High Hurdles.

James Stoutenborough could be counted upon for points in the low hurdles.

John Zelhart is county 440 yard champion and took a second in the conference. Wayne Bennett always pushed John in this event. Lee Montgomery ran the mile and 880 in acceptable fashion to pick up 4th place in our large meets.

Goose Garren ran 3rd in the county and conference 100 yard dash. Won the county Pole Vault and threw the shot in dual meets.

Harold Wilkey broad-jumped and ran the hurdles. Bruce Mashburn ran the 880, pole vaulted and threw the discus. Jim Allsup and Rolla Crouch were discus throwers. Cy Young promises to develop into a miler.

A fine group of Freshmen give Maroa promise of track strength in two or three years though 1942 will find the squad shattered by graduation.

Boys on the travelling squad were:

Seniors: James Stoutenborough, Leland Montgomery, Bruce Mashburn, Rolla Crouch, Herman Gardner, and Harold Wilkey.

Juniors: Captain Bob Reed, Wayne Bennett, John Zelhart, Goose Garren, Warren Hastings, and Jim Allsup.

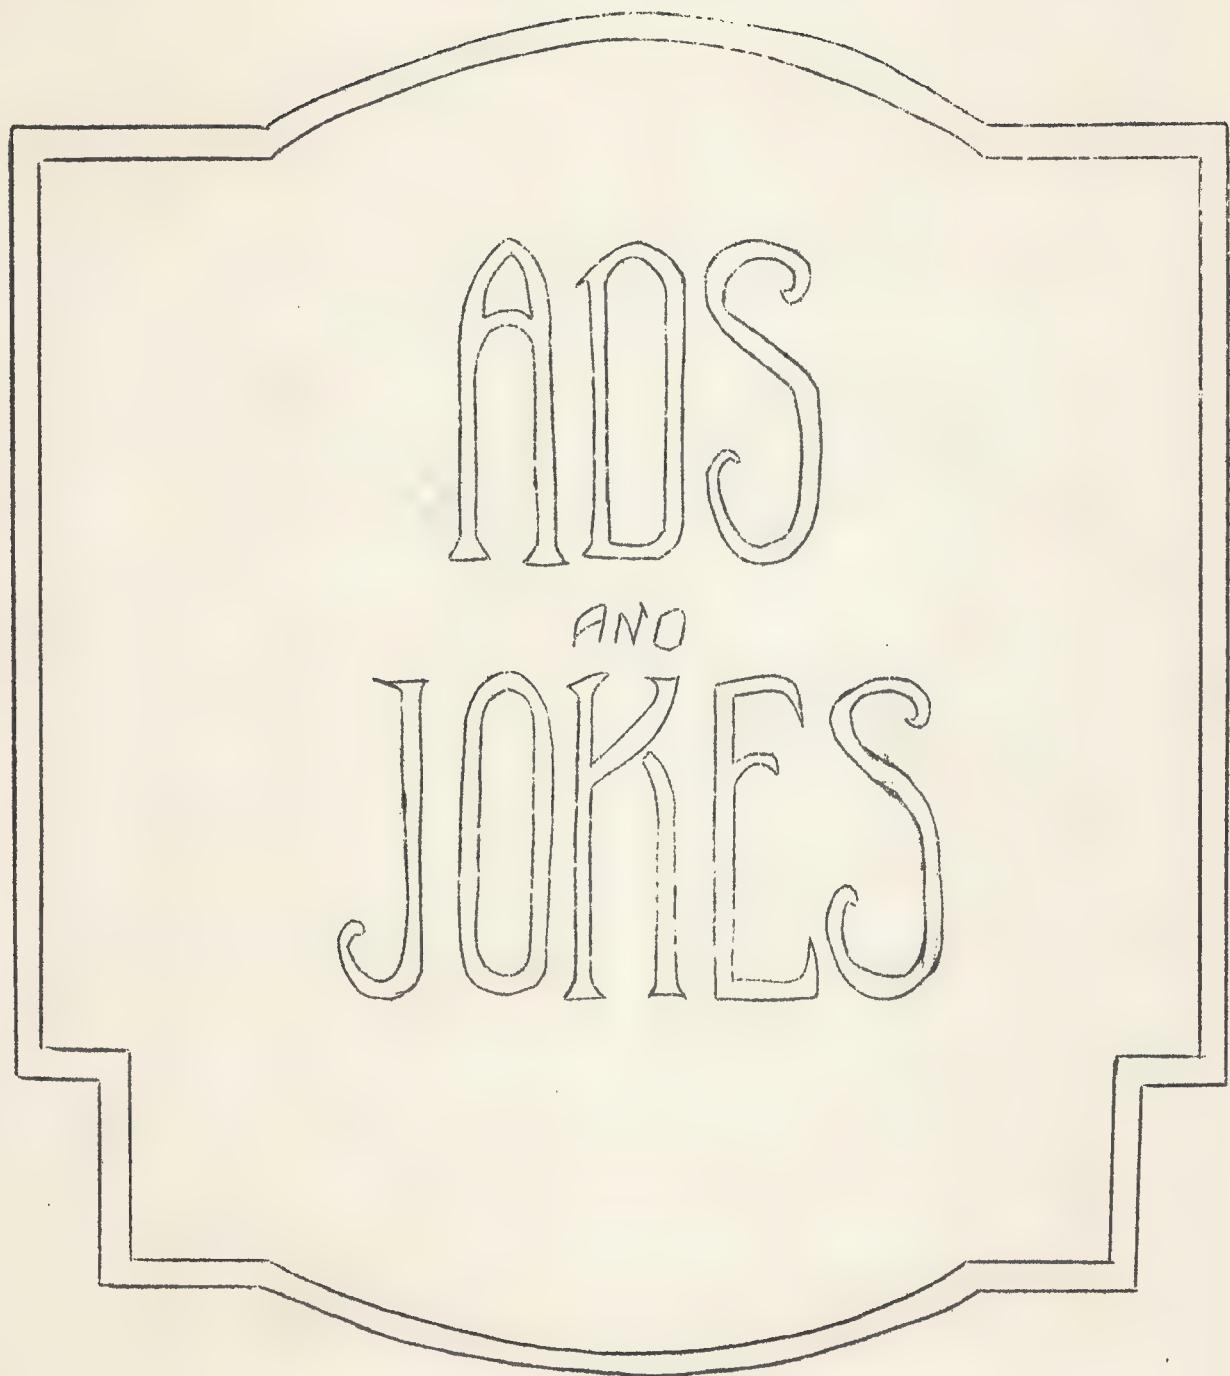

Sophmores: Clarence Young, John R. Miller.

Freshmen: Bill Hambrecht, Bill Montgomery, Glenn Marlow, George Dial, Robert Wentworth, Paul Caldwell, John Spooner and Virgil Wikoff. Several other boys also showed great promise.

Harold Wilkey had just came home from school "How are your marks, son?" asked Mr. Wilkey.

"They are under water," replied Harold

"Under Water, what do you mean?" asked his father.

"They are below C Level", said Harold.

Willie: "Paw, what is discretion?

Paw: "It's something, son, that comes to a person after he is too old for it to do him any good."

Mr. Lloyd (sternly) "Robert, I will have to ask your father to come to see me."

Robert Wentworth: "Better not teacher, Pop is a doctor and he charges two dollars a call."

Mr. Jones: So your son is in college? How is he making it?

Mr. Smith: He isn't. I'm making it, and he is spending it?

Mr. Brown: "What is your son taking up at college?"

Mr. Smith: "Space, nothing but space."

A school teacher asked her pupils to name the ten most important men in the world. One boy wrote: New York Yankees

Manager (overhearing): "Oh! Yes we have it, madam; I will

send to the ware house and have some brought in for you.

(aside to assistant): "Never refuse anything, send out for it."

As the lady went out laughing the manager demanded, "What did she say?"

Assistant: "She said we haven't had any rain for a long time.

New Waiter: "How did you find your steak, sir?"

Mr. Keyes: "It was a mere accident. I just moved that piece of potato and there it was."

Bruce Mashburn: "Mother, you know that 24-piece dinner set?"
Mrs. Mashburn: "Yes, Dear"
Bruce: "Well it's a 25-piece set now."

Miss Sutton: "What do you think of the great singer you just heard?"
Bobby Nick: "He sounded just like Paderewski."
Miss Sutton: "But Paderewski is not a great singer."
Bobby: "That's just it."

Alice: Not quite, dad. He won't come until eight.
